Tobermory needs your help! From 26th October 2024 North Park, Bootle

"Make Good Use of Bad Rubbish"

Great Uncle Bulgaria has broken his rocking chair and asked Tobermory to fix it for him, but he doesn't have the right parts.

All the Wombles want to help and have gone to search in North Park for some useful rubbish that people have thrown away.

What has each Womble found that might help Tobermory fix the chair?
